Shipping Instructions
AIR RIDE CARRIER REQ

SHIPPING TERMS: FCA AMAT Austin and Singapore Facility: / Freight
Collect.(POD)

Title and Risk of Loss to the equipment transfers to Intel at Applied
Materials designated shipping point defined above, after loading is
completed upon signoff by Intels carrier, except in the case of
shipments from North America to locations outside of North America,
where Title and Risk of Loss will transfer to Buyer at the point at
which goods first arrive in the destination country designated in the

"Goods identified with an ECCN not containing 99 or NL are subject to export controls if (re-)exported outside the
European Community".

These commodities, technology, or software were exported from the United States of America in accordance with the
Export Administration Regulations. Diversion contrary to U.S. Law is prohibited.
